BORN AGAIN

One way to achieve the look of a custom home is to install reclaimed wood flooring. Olde Wood Limited specializes in restoring wood from antique buildings, such as barns, and turning it into flooring, hand-hewn beams and cabinetry. The planks are hand-inspected, kiln-dried and left unfinished, allowing homeowners to select custom finishes. Pictured here is antique oak. To see other examples of the company's offerings, visit Premiere Wood Floors, (480) 991-3393.
