Antique HICKORY

RECLAIMED FLOORING – TIMBER FROM AGED STRUCTURES

Contrasting light and dark wood tones juxtaposed with bold, flowing grain patterns give reclaimed Antique Hickory a strikingly modern look and a casual, comfortable appeal. Hickory is unmatched in its strength and hardness, and the perfect choice for an airy, contemporary space where kids and pets like to play.

Our Antique Hickory reclaimed hardwood flooring and timbers come from American East and Midwest barn beams and joists. Each hand-selected Hickory wide plank flooring possesses unique features and colors that can only be found in wood that is naturally aged.
