

All-Oak Antique Barn Siding

100% RECLAIMED – NATURALLY WEATHERED BARN SIDING

Our All-Oak barn siding is our premium line of reclaimed barn siding and is individually inspected and graded to ensure durability, preservation and long life. This authentically recycled lumber is virtually maintenance free and has already stood the test of time having survived 100+ years of harsh weathering in the northeastern part of our nation. True beauty earned with age.

AUTHENTIC BARN SIDING FROM OUR NATIONS'S PAST.

This siding displays a spectrum of naturally faded shades of grey and brown. Rusty nail holes, deep grain texture, and weathered knots make each unique board a testament to the beauty imparted on exposed wood by the slow hands of time.

BARN SIDING SPECS:

Hand-selected from weathered barns of the American Northeast, each board is individually inspected and graded to ensure durability, preservation and long life.
