

Grey-Brown Antique Barn Siding

100% RECLAIMED – NATURALLY WEATHERED BARN SIDING

This siding displays a spectrum of naturally faded shades of grey and brown. Rusty nail holes, deep grain texture, and weathered knots make each unique board a testament to the beauty imparted on exposed wood by the slow hands of time.

AUTHENTIC BARN SIDING FROM OUR NATIONS'S PAST.

Olde Wood's reclaimed barn siding gives a completely unique look to any interior or exterior wall covering. This authentically recycled lumber is virtually maintenance free and has already stood the test of time having survived 100+ years of harsh weathering in the northeastern part of our nation. True beauty earned with age. Each board is individually inspected and graded to ensure durability, preservation and long life and a variety of finish options assure tasteful pairing with any residential, commercial, or retail project.

BARN SIDING SPECS:

Hand-selected from weathered barns of the American Northeast, each board is individually inspected and graded to ensure durability, preservation and long life.
