TRADITIONAL PLANK FLOORING – THE WAY THEY USED TO DO IT

It's difficult to resist the allure of smooth, Traditional Cherry Flooring and its stunning red-browns. Long considered a premium American hardwood because of its natural luster and fine grain, Cherry's ruddy heartwood, accented by pale brown and pink sapwood tones, will add an air of sophistication and chic to any living space.

DISTINCTIVE ATTRIBUTES

Our Cherry wide plank flooring is sawn from select, fully mature wood timbers. This flooring features unique, swirling grain patterns, knots, occasional worm holes, natural face and end checking which creates the dynamic authentic appearence of this product.
