Antique WHITE OAK

RECLAIMED FLOORING – VIRGIN TIMBER FROM AGED STRUCTURES

White Oak possesses a unique closed cellular structure that makes it water and rot-resistant. Because of this exceptional quality, White Oak has always served a special role in the history of woodcraft, and has been used for everything from whiskey barrels to warships—and of course, barns.

Continuing the tradition of special use for a special wood, reclaimed Antique White Oak flooring champions not only the durability of the fabled timber, but also its beauty. Characterized by long grain patterns, tight knot structure, and a rich patina, Antique White Oak proudly displays one of history's proudest hardwoods.

DISTINCTIVE ATTRIBUTES

In addition to the unmistakable beauty of an all White Oak hardwood floor, our reclaimed Antique White Oak hardwood flooring features original saw marks, nail holes, sound cracks, checking and wormholes.

SOLID FLOORING SPECS:

Our reclaimed flooring is 100% virgin timber taken from old wooden structures such as barns and factory buildings.
