

DISTRESSED COLLECTION - ANTIQUE BARN SIDING

CREME

100% RECLAIMED WALL TREATMENT WITH DISTRESSED COLOR

The look of a distressed white surface brings with it a touch crisp that will make your project stand out. Every board undergoes a custom coating process that preserves its weathered character, rusty nail holes, deep grain texture, and weathered knots while adding a distressed color.

AUTHENTIC BARN SIDING FROM OUR NATION'S PAST.

Olde Wood's reclaimed barn siding gives a completely unique look to any interior or exterior wall covering. This authentically recycled lumber is virtually maintenance free and has already stood the test of time having survived 100+ years of harsh weathering in the northeastern part of our nation. Each board is individually inspected and graded to ensure durability, preservation and long life and a variety of finish options assure tasteful pairing with any residential, commercial, or retail project.

BARN SIDING SPECS:

Hand-selected from weathered barns of the American Northeast, each board is individually inspected and graded to ensure durability, preservation and long life.
