

## TRADITIONAL PLANK WIDE PLANK FLOORING

Water-based Polyurethane Pre-finish

Natural Oil Pre-finish

Oil-based Polyurethane On-Site Finish

Unfinished

# CHERRY

## TRADITIONALLY MILLED – THE WAY THEY USED TO DO IT

It's difficult to resist the allure of smooth, Traditional Cherry Flooring and its stunning red-browns. Long considered a premium American hardwood because of its natural luster and fine grain, Cherry's ruddy heartwood, accented by pale brown and pink sapwood tones, will add an air of sophistication and chic to any living space.

## DISTINCTIVE ATTRIBUTES

Live-sawn through and through from fully matured Cherry trees.

### ENGINEERED FLOORING SPECS:
