

CUSTOM WOODEN VENTS

The Beauty Lies in the Details

Custom wooden vents put the finishing touches on your wide plank flooring or wall paneling.

Olde Wood Ltd. offers a variety of standard or custom sized monodirectional wooden vents that add a distinctive look to your home or business. Our vents are manufactured with the highest quality craftsmanship, finest materials and are available in solid Reclaimed or Traditional Plank wood species or finish textures.

ABS Adjustable Register (with Easy-Slide Damper) and Wood Base Vents are available as options.

Wooden vents are available in these options for both wall or floor installation.

NOTE: When ordering, please use the rough opening as your desired dimensions.
